Operational Procedure #501

TITLE: Inmate Program and Activity Schedule for
Facility 'A'

DEVELOPED: March 1999

REVISED: NOVEMBER 2011

501.1

PURPOSE/OBJECTIVE To provide a standardized schedule for conducting inmate program and activities on Facility 'A'.

501.2

RESPONSIBILITIES The Warden has the overall responsibility for the operation of this procedure. The Chief Deputy Warden is responsible for auditing this procedure. The Associate Warden, Facilities A & B, is responsible for ensuring compliance with this procedure, as well as the annual review due in November 2012.

501.3

DAILY ACTIVITY SCHEDULE The following Daily Activity Schedule (D.A.S.) provides a general timeline identifying significant events and activities, which consistently take place. Occasionally, with supervisory authorization, it may be necessary to deviate from the D.A.S. Some examples, which may impact the D.A.S. include: Lock-downs, Modified Programs, staff shortages, adverse weather conditions, emergencies and serious operational necessities.

501.4
MEALS

Two (2) hot meals will be served per day. Breakfast will begin at approximately 0610 hours and dinner will begin at approximately 1610 hours.

In the event that an emergency occurs, preparations will be made to ensure that all inmates are properly fed and allowances will be made to insure that all inmates receive the required food to sustain them during the emergency.

501.4.1
LUNCHES

Inmate assigned to the Vocational area, PIA areas, Maintenance areas and Central Kitchen will receive their lunches at their assigned jobs. Each morning, work change staff will fill out a Lunch Request Form and submit it to the Facility Correctional Supervising Cook by 0900 hours daily. Lunches will be delivered to work change staff by 1030 hours and distributed to the inmates as they enter the Vocational Satellite Dining Hall.

Inmates not assigned to positions beyond the work change gate (general population) will receive their boxed lunch directly after the breakfast meal commences. The cardboard boxes containing the lunches will be placed on the table closest to the exit door and will be handed to the inmate by a Correctional

Officer as the inmate exits the dining hall. Signs are posted at the exit of each dining hall instructing inmates that the sack lunches contain items that must be consumed within four (4) hours.

501.4.2 MEAL RELEASE

Inmates will be served Breakfast and Dinner in the dining hall. Control booth officers will give the initial announcement over the Public Address System (P.A.) a minimum of ten (10) minutes prior to the release of each meal.

Both floor officers will position themselves in front of the section being released. For safety reasons, the cell light must be turned on before the door will be opened. (Failure to comply with this procedure will be considered a passive refusal.) No more than half of a section of a tier shall be released at one time. One floor officer will indicate to the control booth officer which cell doors are to be opened. Inmates will exit and stand outside their assigned cell. Once the cell doors have been secured an officer will instruct the inmates to exit the unit.

Inmates housed on the bottom tier will walk between the two "B" section staircases. Inmates housed on the top tier will walk down the two "B" section staircases. The stairways located in "A" or "C" sections are out of bounds. All inmates will show their I.D. card to the floor officers prior to exiting the building. Inmates will not loiter inside of the housing unit or on the roadway to the dining hall. Inmates will be required to walk along the roadway and center fence to the dining hall in an orderly manner. Inmates will not carry any items of personal property from the housing unit to the dining hall. The only items allowed in the dining hall will be condiments and the inmate's state issued cup and spoon.

Unless otherwise directed, inmates who receive morning or evening medications are to report to the medication line in front of the facility medical clinic prior to going to the dining hall. After receiving their medications, the inmates are to report to the dining hall.

501.4.3 MEAL RETURN

Inmates will exit the dining hall when directed to do so. Inmates will walk directly back to their housing unit along the roadway in an orderly manner. Inmates will not loiter outside the dining hall, on the roadway, or in front of the housing units.

Upon entering the housing unit, inmates shall proceed directly to their assigned cell. Inmates shall not stop at other cells. The inmates assigned to the lower tier will walk between the two "B" section staircases and proceed to their cells. Inmates assigned to the upper tier will walk up the "B" section staircases to their cells. The stairways located in "A" and "C" sections are "Out of Bounds" and will not be used by inmates.

501.5 PRIVILEGE GROUPS

501.5.1 PRIVILEGE GROUP 'A'

An inmate who is assigned to a full-time work/training assignment or an inmate who is unassigned and meets the criteria for this privilege group. (Refer to CCR Title 15, Section 3044(b)(1) and 3044(d)).

Los Angeles County

Operational Procedure #501

TITLE: Inmate Program and Activity Schedule for
Facility 'A'

DEVELOPED: March 1999

REVISED: NOVEMBER 2011

501.5.2

PRIVILEGE GROUP B

Involuntarily unassigned. An inmate who is placed on a waiting list pending availability of a full-time work/training assignment or an inmate who is unassigned awaiting adverse transfer to another institution. (Refer to CCR Title 15, Section 3044(b)(2) and 3044(e)).

501.5.3

PRIVILEGE GROUP C

Voluntary unassigned. An inmate who refuses to accept or perform in a work/training assignment, or who is placed on non-credit earning status by a classification committee action for frequent work/training related violations. (Refer to CCR Title 15, Section 3044(b)(4) and 3044(t)).

501.5.4

PRIVILEGE GROUP U

Orientation Inmates. An inmate who is received on the facility through the Reception Center or from Receiving & Release. Orientation status inmates will be housed in one building on a facility and normally in one section on the tier. Orientation inmates will not have access to dayroom activities except for showers. The facility will establish a schedule to provide orientation inmates with showers on Monday, Wednesday, and Friday. Orientation inmates will not have contact with General Population inmates. Orientation inmates will be allowed one phone call prior to their classification committee. These phone calls will be conducted during second watch on Sundays. If time and staffing permits, newly arrived inmates will be issued their personal property when they are processed through Receiving & Release. If this is not possible, the inmate will be educated to Receiving & Release at a later date.

501.5.5

ORIENTATION BUILDING

All newly arriving inmates to Facility A from outside institutions will be housed in the orientation section of Housing Unit A3 pending Initial Classification Committee (ICC). Inmates on Orientation status will be cell fed until cleared for general population by ICC.

501.6

**RECREATION YARD
ACTIVITIES**

Recreation yard activities are available to all inmates, consistent with their privilege group as outlined in this procedure. All A1-A PPF qualified inmates assigned to a work/education assignment will be eligible for both yard releases.

Allowable property on the yard will be limited to a Walkman with headphones, one (1) clear container for drinking water, one (1) towel, and one (1) bar of soap, one (1) pair of shower shoes, and one (1) book. Blankets, sheets, pillows, pillowcases, and laundry bags are not permitted on the yard.

Specific restrictions for recreation yard access will be based on the inmate's Work Group/Privilege Group, tier rotation or as the result of a disciplinary hearing. All A1-A PPF qualified inmates assigned to a work/education assignment will be eligible for both yard releases.

Inmates shall not climb on, lean against, or hang any items on any fence with the facility.

Inmates may be permitted to enter their housing units when returning with Vendor packages, canteen, from visits, ducats, or heat risk inmates when heat alert is activated. In the event of an early release or cancellation of a work or program

assignment, the affected inmates should be allowed to return to the housing unit whenever possible. The returning inmates shall proceed directly to their assigned cell unless dayroom activities are being conducted for their tier. Access to the housing units will be in accordance with the yard recall policy as outlined in section 501.11 of these procedures. Inmates are not allowed to enter housing units other than their own, unless prior arrangements have been made with a facility supervisor.

Regardless of the reason(s) for entry or the time of entry, all inmates entering the units will be thoroughly searched to maintain security and control contraband.

There will be no congregating or stopping on the roadway/track for any length of time. All inmate traffic on the roadway/track will be in a clockwise direction. All posted "Out of Bounds" areas are off limits to inmates and will be strictly enforced. Other than authorized recreational activities there will be no running across the facility yards. Running/Jogging will be done on the facility track only. Inmates may not run/jog in a group comprised of more than two inmates from any specific group, affiliation, or ethnicity to eliminate intimidation factors on the facility.

Inmates will not be allowed to congregate in a group comprised of more than five (5) people, except at designated tables. No more than ten (10) inmates will be allowed to congregate at a Recreational table. Staff should be constantly alert to abnormal groupings, their locations and be prepared to take appropriate action. The only exception would be during authorized recreational sports activities.

**501.6.1
RECREATION YARD
ACTIVITIES PRIVILEGE
GROUP 'A'**

Inmates in Privilege Group 'A' may participate in recreation yard activities seven days a week in accordance with the established guidelines and time schedule as indicated in this procedure.

**501.6.2
RECREATION YARD
ACTIVITIES PRIVILEGE
GROUP 'B'**

Inmates in Privilege Group 'B' may participate in recreation yard activities Monday through Friday, in accordance with the established guidelines and time schedule as indicated in this procedure.

**501.6.3
RECREATION YARD
ACTIVITIES PRIVILEGE
GROUP 'C'**

Inmates in Privilege Group 'C' are restricted from participating in recreation activities. Access to the recreation yard is limited to walking to meals, priority ducats, library (PLU only), and religious services. Inmates in Privilege Group C are not permitted access to any recreational or entertainment activities.

**501.7
DAYROOM ACTIVITIES**

Dayroom activities will be conducted in accordance with the tier rotation schedule on all facilities. Specific restrictions for dayroom access will be based on the inmate's Privilege Group or as the result of a disposition from a disciplinary hearing.

When the Universal Heat Trigger (UHT) is activated, Heat Risk inmates who are on the recreation yard are required to return to their assigned housing units. These inmates will be permitted to participate in dayroom activities upon returning to their Housing Units, regardless of the tier rotation schedule. Additionally, when the UHT remains active in the afternoon, inmates identified as Heat Risk will be permitted to participate in the afternoon dayroom regardless of the tier rotation schedule.

inmate is returning from a work/vocational assignment at the 1430 hours voluntary yard in-line, he will return to his cell and place a towel on his door. The unit officer will release these inmates for a shower beginning with the tier not scheduled for dayroom that evening. Inmates returning from work have priority for showers. Worker showers will generally run continuously from 1230 to 1330 hours, and from 1530 until 1745 hours.

**501.9.2
SHOWERS PRIVILEGE
GROUP 'B'**

Inmates in Privilege Group 'B' will be afforded showers Monday through Friday during scheduled dayroom.

**501.9.3
SHOWERS PRIVILEGE
GROUP 'C'**

Inmates in Privilege Group 'C' will be afforded showers on Monday, Wednesday, and Friday only.

**501.10
YARD & DAYROOM
RELEASE**

Prior to releasing a unit for yard or dayroom, housing unit officers will ensure they have an accurate list of all inmates on LOP, CTQ, and "C" status. CTQ and LOP inmates may have specific restrictions as shown on their CDC-128B Chrono. These restrictions will be reviewed before releasing the unit to yard or dayroom. Each housing unit will receive a current unlock report daily from Central Control. Inmates leaving their cells are required to be in possession of their state I.D. Card at all times.

**501.10.1
YARD RELEASE**

The control booth officer will give a (5) five-minute warning before all Yard unlocks. The Floor Officers will proceed to the Section of the housing unit being released first. The Control Booth Officer will make an announcement via the public address system for all inmates wishing to go to the yard to turn on their cell lights. The Floor Officers will observe which cells have their lights on and give instruction to the Control Booth Officer to open those doors. No more than half of a section of a tier shall be released to the yard at one time. Floor staff will ensure that each inmate has his ID card, before exiting the cell. Inmates will exit their cells appropriately dressed for yard. Staff will conduct random clothed body searches as inmates exit the housing unit. Housing Units will be released simultaneously when there is a minimum of two (2) floor officers per Housing Unit to conduct the release, and three (3) yard officers per Housing Unit to perform the random clothed body searches.

Inmates assigned to the lower tier will funnel between the two "B" section staircases. Inmates assigned to the upper tier will proceed down the "B" section staircases. The stairways located in "A" and "C" sections are out of bounds areas.

**501.10.2
DAYROOM RELEASE**

Once yard release has been completed and after the housing unit has been secured, dayroom release will be conducted. The floor officers will proceed to the section of the housing unit being released first. The Control Booth Officer will make an announcement via the public address system for all inmates wishing to go to dayroom to turn on their cell lights. The Floor Officers will then observe which cells have their lights on and give instruction to the Control Booth Officer to open those doors. No more than half of a section of a tier shall be released for dayroom at one time.

**501.11
YARD & DAYROOM
RECALL**

Before conducting yard recall, all housing unit dayrooms will be secured. Before conducting the 1430-hour inline, dayroom showers will be secured but dayroom activities may continue. At yard/dayroom recall, inmates are required to proceed directly to their assigned cell and will not stop at cells other than their own. Inmates assigned to the lower tier will funnel between the two "B" section staircases. Inmates assigned to the upper tier will proceed up the "B" section staircases. The stairways located in "A" and "C" sections are out of bounds areas.

**501.11.1
YARD RECALL**

All yard and housing unit staff will assist in processing inmates from the yard. During yard recall, the Control Booth Officers in Housing Units not receiving inmates will provide gun coverage for the yard.

Inmates will line up along the curb in front of their buildings. Clothed body searches will be conducted prior to entering the building. Both the yard door and the interior door/grill gate will be open. After being searched inmates will go directly to their assigned cells. Housing unit staff from the building being received will monitor the process to ensure an orderly lock-up.

**501.11.2
DAYROOM RECALL**

A five-(5) minute warning will be given before recalling the dayroom areas. When the control booth officer announces dayroom recall, the televisions will be turned off and the floor officers will be in a position to observe the dayroom areas. All inmates will proceed directly to their cell door and wait for the control booth officer to open the door. Floor officers will monitor the process to ensure an orderly lock-up.

**501.12
INMATE ATTIRE**

**501.12.1
YARD**

Inmates may be clothed in either state issued clothing or approved personal clothing. During yard activities, pants, shorts, or sweat bottoms and shoes are mandatory. Shirts are optional.

**501.12.2
DAYROOM**

Inmates must be clothed in either state issued clothing or approved personal clothing. Pants, shorts, or sweat bottoms, a shirt or sweat top, and shoes must be worn at all times while on the dayroom floor.

**501.12.3
WORK/TRAINING
EDUCATION**

Inmates must be clothed in state issued clothing (blue chambray shirt, denim pants required) at all times while in work/training/educational areas. Items of personal clothing or property are not permitted without authorization from the area supervisor.

**501.12.4
CLASSIFICATION
COMMITTEES, MEETINGS,

may be worn under state issued clothing during winter months). All other items of personal clothing or property are not permitted. Shirts are to be tucked inside the pants and remain tucked during meals. Undershirts shall be worn under blue chambray shirts. Head coverings (including hair rollers) and gloves are not permitted and will be removed prior to entering. Sunglasses are not permitted, except by prescription. Note: During periods approved by the Warden, blue chambray shirts will be optional. Orientation inmates must wear their State issued jumpsuit, properly secured, upon exiting their cell.

**501.13
ENTERTAINMENT
APPLIANCES**

Entertainment appliances are to be used in a manner that is not disruptive to the housing unit. Entertainment appliances will be turned off when inmates leave their cells. Any inmate playing an entertainment appliance that can be heard outside the inmate's cell is subject to having the item confiscated and sent home at his expense. Inmates who violate this regulation may be issued a Rules Violation Report for Misuse of Personal Property and Housing Unit staff may immediately confiscate the appliance pending the outcome of the disciplinary hearing.

When inmates argue over the programming that is being shown on the dayroom TV and the issue cannot be resolved, the TV will be shut off. The facility supervisor must be notified.

**501.14
GAMES**

The unit officers will ensure the games are made available to all inmates. The games will be used in the dayroom only and will not be taken to the yard or into the cells.

**501.15
CELL CLEANING**

Cells will be kept clean and neat at all times. Cell cleaning shall be permitted during the inmates scheduled dayroom hours. Inmates shall obtain a door pass from the floor officer and hang it above his door during cleaning. The floor officer shall hold the inmate's I.D. card until the door pass is returned.

**501.16
SUPPLIES**

Housing unit staff will issue supplies to inmates during third watch using the schedule set forth by the housing unit staff.

**501.17
INMATE USE OF
TELEPHONES**

Inmates may make personal calls to persons outside the institution at designated times and on designated telephones according to their privilege group. Restrictions may apply as the result of a disciplinary hearing. (Refer to DOM Section 52060 and relevant LAC Supplement)

**501.18
CLOTHING EXCHANGE**

Clothing will be exchanged in accordance with the schedule posted at the facility clothing room. (Refer to DOM Section 54090 and relevant LAC Supplement)

**501.19
CANTEEN**

Schedules will be posted at each facility canteen. (Refer to DOM Section 54070 and relevant LAC Supplement)

**501.20
LIBRARY SERVICES**

Inmates in privilege group A or B will be permitted access to the library during their scheduled yard periods. The library posts regular operating hours. Privilege group C inmates must be PLU status to access library.

Operational Procedure #501

TITLE: Inmate Program and Activity Schedule for
Facility 'A'

DEVELOPED: March 1999

REVISED: NOVEMBER 2011

Priority Library Users (PLU) will be afforded library access consistent with the PLU schedule for the facility.

501.21

**MEDICAL TREATMENT
AND APPOINTMENTS**

Inmates will be scheduled for Medical and dental appointments. Inmates be issued ducats and will be seen at the Facility Medical office unless otherwise specified on the ducat.

501.22

**VENDOR PACKAGE
DISTRIBUTION**

Inmates will be afforded the opportunity to receive Vendor packages in accordance with the Institutional Operational Procedures governing Vendor package distribution. Vendor packages will be issued to inmates in accordance with the facility schedule posted by Receiving and Release.

501.23

RELIGIOUS SERVICES

All Inmates may participate in religious services. Inmates must be on the approved list of attendees in order to attend chapel services or sweat lodge.

501.24

**POSITIONING OF
INMATES DURING AN
EMERGENCY**

501.24.1

YARD

All inmates on the exercise yard shall immediately sit down on the ground. (Squatting or kneeling is not allowed). Based on the circumstances and discretion of the supervisor, inmates may be required to assume a prone position on the ground. Medically disabled inmates (DPP) may remain standing if their medical condition prevents them from sitting on the ground. DPP Inmates shall wear a vest at all times when out of their cell.

501.24.2

**HOUSING UNIT
DAYROOMS**

Regardless of the location of the alarm, inmates in the dayroom will be required to immediately sit down on the floor. (Squatting or kneeling is not allowed). (See note above.) This includes inmates sitting at the dayroom tables. Based on the circumstances and discretion of the supervisor, inmates may be required to assume a prone position on the floor.

501.24.3

**DINING ROOM, WORK,
AND EDUCATION**

All inmates located inside the culinary, work or classroom setting will be required to immediately sit down when an alarm is activated. (See note above.) Those inmates already sitting at desks or tables will remain seated until instructed to move by staff.

Note: Only a supervisor can clear an alarm and authorize inmates to resume program.

NOTE: ANY CHANGES TO THIS OPERATIONAL PROCEDURE WILL REQUIRE EVALUATION AND APPROVAL OF THE WARDEN.
